## THE LINKS...KEEPING MEMBERS CONNECTED

### JANUARY 2012

Hello Everyone,

The Holiday Season has finally come to an end and the weather has been fairly cooperative thus far. We actually had some play on the golf course last week! On that note, I would like to wish everyone and their families a happy and prosperous New Year.

December was quite busy at the club as is to be expected. We hosted many successful inside and outside functions. This exposure certainly helps to market the club in a positive way. A special thanks to Marty Burdick, Carol Gotowka and helpers for the Holiday decorations at the club. There were a few new decorations added and once again this year, I heard nothing but compliments on how beautiful the club looked.

The Shorewood Annual Christmas Party went off without a hitch and everyone was treated to the elaborate starters as well as a truly great meal prepared by Chef John and his staff. Attendance has been dropping year to year but a big thank you to all that did attend. This event always offers great food, music and fun. Plan early for next year!! We had a great band this year that kept the attendees dancing much later than last year. The attendance for Santa's Brunch was steady this year and Santa met with the children to ensure that all requests were met. Thank you "Santa" !

The Christmas on the Lake Craft Show was a great opportunity for members and the public to cross some names off of their lists with some truly unique gifts. We were very busy that day in the dining room and bar for lunches. All in all, it was a great day at Shorewood.

January will be slow as usual at the club but please be sure to join us for the Closing Bash that is scheduled for Friday the 27th. This has been really popular for the past couple of years. This year will feature live music by The Scott Celani Band out of Buffalo as well as the usual drink specials and casual buffet. As always friends and family graciously welcomed. The more, the merrier!

The SWA will also be having their Annual Meeting in the Clubhouse on Saturday, January 21st at 12:00. We will be serving a special menu for lunch beginning at 11:30 so feel free to arrive early or join us after the meeting for lunch and a glass of wine. All SWA members are encouraged to attend.

A reminder that the Clubhouse will be closed for the month of February. There are no major projects planned for this closing just the typical maintenance and deep cleaning that we undertake each year. The staff has worked very hard to make the club run successfully and this will be a well earned break for all of them. We will resume operations in the Clubhouse on Thursday, March 1st.

If anyone was dining Friday evening, January 16 and may have inadvertently picked up an incorrect, grey, waist length, ladies winter coat, Please contact me so I can facilitate an exchange for your correct coat.

As 2011 has officially ended, I would like to take the opportunity to thank the membership for their support of the club over this past year. Shorewood has a friendly and welcoming group of people and it makes my time here that much more enjoyable. We all know that the club would not be the club that it is without you.

Thank You, Mark
